

“TechnoAlpin Heroes Photocontest” Rules

Organizer

TechnoAlpin Austria GmbH
Johanneskapellenweg 2
6111 Volders (T), Austria
+43 5224 20909

Eligibility

The photo competition is open to entrants of any age in any location. Employees of the TechnoAlpin Group (including subsidiaries) and their family members are not allowed to enter the competition.

Conditions of entry

- Competition entries may be sent in between December 01, 2021 and January 23, 2022
- In order to enter the photo competition, you need to submit a photo via the online form. Go to www.technoalpin.com/contest in order to access this form. The photo must be saved in a standard image format and the organizer must be able to open it. The file size must not exceed 10 MB. The organizer reserves the right to discard damaged photos or photographs which cannot be opened for any other reason and to disqualify them from the competition without informing the entrant.
- Only one entry per person is allowed and only one photo per entry. The organizer reserves the right to verify adherence to this rule and to disallow any multiple entries.
- The following mandatory data must be provided in order to be eligible to enter the competition: forename, surname, email address, home country, location, where the photo was taken, acknowledgment of the data processing regulations and consent to the distribution of the picture. Entries accompanied by false or missing data are not allowed and will not be accepted.

- Those who enter the competition thereby grant TechnoAlpin Austria GmbH and all affiliated subsidiaries of the TechnoAlpin group the right to use the photographs free of charge and without restrictions as to time and location.

Information on the pictures and regulations

- The photos entered in the competition must in some way depict the work with the products or services provided by TechnoAlpin.
- Any photographs which are offensive or indecent, or which harm third-party interests will be disqualified.
- A photograph which has been sent in may be withdrawn and replaced by a different photograph by writing a message to this effect to contest@technoalpin.at and including the relevant personal data. This option may only be exercised once and before the closing date for entries.
- All the photographs which have been submitted and meet the terms and conditions of entry will be judged in two stages. The panel of judges will be appointed by the organizer and will consist of at least three representatives of the organizer.

Selection criteria

- The judges will choose three winning photographs which best meet the criteria for the competition. The criteria on which the photos will be judged are **creativity, innovation, esthetics** and **content**.
- Four runners-up will also be selected.
- The decision of the judges is final.
- The winning entries will be selected in private judging sessions within six weeks of the closing date for entries.
- The winners will be notified by email.
- The best photos will be published on the Internet.

Prizes

1. The first prize is a TechnoAlpin Package consisting of a backpack, an outdoor fleece and sunglasses.
2. The second prize is a TechnoAlpin "Blakläder" jacket (men)

3. The third prize is a TechnoAlpin outdoor gilet

Prize delivery

The prizes will be sent to the winners by post within 50 days of notifying the winners. If a winner does not take receipt of the prize within 50 days, or if the prize cannot be delivered, then it will be sent to a runner-up.

In accordance with Article 13 of the EU General Data Protection Regulation 2016/679, we would like to inform you that the data provided will be collected and processed solely for the purpose of the photo contest. This data will not be forwarded to third parties. Participants in the photo contest may at any time make use of their right of access, deletion, rectification or restriction of data processing by the responsible. Requests may be sent to the following email address: privacy@technoalpin.com. In addition, the participant has the right to contact the regulatory authority if he considers that his data has been unlawfully or improperly processed.

By submitting the participant's details to the photo contest, he authorizes the contest holder to use the data in accordance with the said purpose.
